False Religion Is Destroying America

I Timothy 2:5 says, “For there is one God, and one mediator between God and men, the man Christ Jesus” (KJB).

Islam is a vicious, false religion which has its foundation in darkness. The religion of Islam commands its followers to carry out terrible, suicide missions against Jews, Christians and all those who oppose Islam. This religion of darkness has historically always tried to make converts by the edge of the sword. Islam has a long, vicious record of rape, murder, slavery, robbery, and debauchery.

Islam is not good religion, but it is an evil man-made religion whose so-called “prophet” Mahammad was a very wicked man indeed. According to historical records, He had about twenty-two women who were his wives, slaves, or concubines. He forced his adopted son to divorce his wife, and Mahammad took her as his wife. Mahammad tried to marry the six year-old girl of one of his friends. Her father refused. A waiting period of three years was agreed upon; when this little girl turned nine years-old, she became another wife of Mahammad, who was fifty-three years-old at the time. To say the least, Mahammad was a whoremonger and pedophile.

The Quran is not a book of peace, but of murder and destruction. The example of 9/11 is what the Quran teaches its Muslim followers to do. We cannot as Americans forget 9/11, or history will repeat itself. The question is how many sleeper cells of Muslim terrorists are operating out of mosques here in our country. We are being infiltrated by Muslim terrorists crossing our southern border with Mexico and by other means. Many of the Muslims who are already here, as we have seen, have been planted to do their wicked deeds when called upon. We must as a nation be ever vigilant concerning these agents of the devil. We are at war with a false religion that commands its followers to worship a false god. There can be no peace with Islam, because Islam knows no peace. To know Jesus is the only way to know peace. John 14:6 says, “Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me” (KJB).

Evil cannot be appeased, but it must be defeated.

Are You Politically Correct or Biblically Correct?

“And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God” (Romans 12:2, KJB).

We live in a world of political correctness. Political correctness is one of Satan’s weapons in these last days of Church History. It has infiltrated our homes, our schools, and our pulpits. The Bible tells us not to be like this evil world system, but this is going unheeded. Today, many professing Christians are ignoring the Apostle Paul’s exhortation, and conforming to the world, its standards, and its vocabulary. Too many preachers are too concerned with pleasing everyone and offending no one; they do so because they love “the praise of men more than the praise of God” (John 12:43, KJB). These preachers are cowards! Political correctness is an insulting sin against God Almighty! We need to quit this political correctness garbage and return to biblical correctness.

How does one become biblically correct? First, confess and repent of the sin of political correctness; then get back to daily reading and studying God’s word (the King James Bible), and prayer. Ask God to teach you and help you to be biblically correct. Get back to using the Lord’s terms instead of the world’s dead terms. Determine that you are going to trust God instead of fearing man (Pro. 29:25). Biblical correctness is the only way to please God. So, reader, are you are going to be politically correct or biblically correct?

THE BIBLICAL CREATION SCIENCE CORNER

Same Evidence, Different Assumptions

The key to understanding Creation Science is realizing that Creationists and Evolutionists look at the same evidence, but with different starting assumptions.

Evolutionists start with the assumption that everything, including life and the universe itself, came by totally natural means. This means that they start with the assumption that the universe was not created by God, that there are no miracles or other supernatural events, and that there is absolutely no intelligence or purpose behind the universe. Evolutionists interpret evidence through the lens of materialism, time and chance.

Creationists start with the opposite assumption that there is an intelligence or purpose behind the universe and that it was created by God, and recognizes the possibility of miracles or other supernatural events. Creationists interpret evidence through the lens of the Bible (Genesis 1:1).

The vast difference between these two starting assumptions result in radically different conclusions about what is observed. In fact, the Uniformitarianism behind the evolutionary interpretation of evidence was invented in the early 19th century by Charles Lyell, specifically to explain away evidence for the Genesis Flood. On the other hand Creation Science is the science conducted from a Biblical perspective.
