"And David said, What have I now done"

Is there not a cause?" - 1 Samuel 17:29

Frank Raddish: Founder/Director

Charles Creager: Field Representative

**July 2017 Prayer Letter**

Dear Brethren;

I am thankful to God and am grateful for all the Churches and individual Christians praying for me and providing support. I continue to be amazed at see the Lord work. He has provided the means for me to get through August, and I look forward to what He will do in the future.

I have had a opportunity to present my work to at 3 additional churches one which included a Creation Science presentation. I am continuing to putting together a series of Creation Science presentations for presenting at churches and other venues. I am regularly making contact with more churches by way of phone, email and personal visits. I am pleased that another individual Christian has started supporting my work bringing mt support to 11.5 % of the minimum I need. Periodic love gifts also continue to be a blessing helping with my expenses. I will be attending the Creation Research Society on July 27-29, 2017 at the campus of Bob Jones University in Greenville South Carolina. This will be good opportunity to meet with other creationists and talk to them about my calling. I am scheduled to present my work at Foundation Baptist Church in Columbia South Carolina on August 20, 2017 and Arden Missionary Baptist Church in Arden NC, please keep this in prayer. I am going to try to use the August 21 eclipse as an opportunity to witness to people in my neighborhood particularly the kids.

My main payer request is my need for more support, since my reserve fund will run out at the end of August and I need additional funds; so please pray for this need. I firmly believe the Lord will supply but this is a critical need. Pray the Lord will bring more opportunities to present my work, give Creation Science presentations and preach the word. Pray that I will soon get more support.

Yours in Christ

Charles Creager Jr.
