August 2017 Prayer Letter

Dear Brethren;

I am thankful to God and am grateful for the Churches and individual Christians praying for me and providing support. The Lord continue to amaze me as He has provided the means for me to get through September, and I look forward to what He will do in the future.

I am continuing to putting together a series of Creation Science presentations for presenting at churches and other venues. I continue to make contact with more churches by way of phone, email and personal visits. I attended the Creation Research Society on July 27-29, 2017 at the campus of Bob Jones University in Greenville South Carolina. I met with a number of other creationists, many of whom were interested my ministry and will be praying for me. I presented my work at Foundation Baptist Church in Columbia South Carolina on August 20, 2017, which went well and helped provide for my needs. I also handed out about a dozen tracks on my way home. The August 21 eclipse was an amazing experience that gave my brother James and I opportunity to witness to some of our neighbors.

At present I am scheduled to present my work at Arden Missionary Baptist Church in Arden NC, please keep this in prayer. It will be my first trip out of South Carolina as part of my deputation work, making it a significance milestone.

My main payer request is my need for more support, since I am now completely depended on the Lord's provision for needs; so please pray for this need. I firmly believe the Lord will supply my needs. Pray the Lord will bring more opportunities to present my work, give Creation Science presentations, and preach the word. Pray that I will soon get more support.

Yours in Christ

Charles Creager Jr.
