June 2017 Prayer Letter

Dear Brethren,

I thank God and am grateful for all the churches and individual Christians praying for me and providing support. I have seen the hospitality of my fellow Christians in the various churches I have visited. I have seen the Lord provide for my needs including on occasion food and even clothing.

I have had a chance to present my work to about 10 churches with two opportunities to give Creation Science presentations. I am in process of putting together a series of Creation Science presentations for presenting at churches and other venues. I am regularly making contact with more churches by way of phone, email and personal visits. I have one supporting church and a regularly supporting individual Christian adding up to 5 % of the minimum I need. The periodic love gifts have also been a huge blessing helping with my expenses. I will be attending the Creation Research Society on July 28-29, 2017 at the campus of Bob Jones University in Greenville South Carolina. This will be good opportunity to meet with other creationists and talk to them about my calling. I am scheduled to present my work at Foundation Baptist Church in Columbia South Carolina on August 20, 2017 please keep this in prayer

My main payer request is that my reserve fund will run out at the end of July and I need additional funds; so please pray for this need. I firmly believe the Lord will supply but this is a critical need. Pray the Lord will bring more opportunities to present my work, give Creation Science presentations and preach the word. Pray that I will soon get more support.

Yours in Christ
