Dear Pastor and Church Family,

We have had the great ministry opportunity of laboring for the Lord at the Arizona State Capitol where I started a Bible study five years ago. My wife and I, and Bro. James Creager were able to witness to many Arizona State House and Senate members and their staff during this time.

After starting a Bible study at the state capitol we pray for a Independent Baptist pastor and church to take it on as part of their ministry. In this case, Pastor Bryon Sanders does this Bible study at the Arizona State Capitol House Building and this ministry is under his church. Pastor Sanders and myself were able to get several other Independent Baptist pastors in Arizona involved in the weekly Bible study this year.

I also was able to obtain the Governor's Press Conference Room in the Arizona State Capitol Building to have a *God, Family, & Country Meeting*. There were Arizona Independent Baptist pastors and some of their people from the churches that attended this meeting. It was a God-honoring service of preaching, singing, and giving thanks to the Lord. This probably was the first time that the preaching of the word of God took place in that conference room.

Be praying for Mrs. Lisa Jackson who has attended the Justice Department Bible Study, which I started fifteen years ago, in Washington DC. She has come under demonic attack from her supervisor for praying at an employee luncheon. This supervisor is so wicked that she performed a so-called "marriage" between two women.

This same supervisor is also now trying to attack Mrs. Jackson about another instance at the Justice Department. This supervisor stated that Mrs. Jackson's prayer at this luncheon—that took place months ago—showed her lack of ability to be a manager at the Justice Department. Based on these two situations, this supervisor has given Mrs. Jackson an option of resigning or be discharged from her position.

I have been able to get a US Senator on Capitol Hill in Washington DC to investigate this situation. Also I have contacted a Christian Law organization and it will be representing Mrs. Jackson against the powers of darkness at the Justice Department. This appears to be the leftover personnel of the Obama regime that is doing this.

By the time you receive this prayer letter, we will be working in the ministry at the Texas State Capitol, Austin. I will provide a complete update in the next prayer letter.

Finally, if any man is interested in this type of ministry, as the Lord leads, please call or email me. Luke 10:2 says, "Therefore said he unto them, The harvest truly is great, but the labourers are few: pray ye therefore the Lord of the harvest, that he would send forth labourers into his harvest."

Thank you once again for your prayers and financial support.

Yours in Christ,

Bro. Franklin Raddish
