Greetings in Jesus,

Thank God our country has been spared from having Hillary Clinton in the White House. We definitely need to continually pray for President Donald Trump and Vice-President Mike Pence as they prepare to take the oath of office on January 20.

The most important thing in this country is the preaching of the word of God. "Where is the wise? where is the scribe? where is the disputer of this world? hath not God made foolish the wisdom of this world? For after that in the wisdom of God the world by wisdom knew not God, it pleased God by the foolishness of preaching to save them that believe. For the Jews require a sign, and the Greeks seek after wisdom: But we preach Christ crucified, unto the Jews a stumblingblock, and unto the Greeks foolishness; But unto them which are called, both Jews and Greeks, Christ the power of God, and the wisdom of God" (I Corinthians 1:20-24).

With God's help I've been able to setup the New Mexico Bible Study at the state capitol, beginning in January, for the fourth year. Also the Lord has given favor to start the Bible Study at the Arizona State Capitol for the fifth year in January. Both of these Bible studies will have Independent Baptist pastors preaching the word of God throughout the legislative session. Pray that souls will be saved as staff members and State House and Senate members are invited to the Bible studies on a weekly bases. Luke 10:2 says, "Therefore said he unto them, The harvest truly *is* great, but the labourers *are* few: pray ye therefore the Lord of the harvest, that he would send forth labourers into his harvest."

In January Bro. James Creager will be joining me on a full-time bases as a field-representative, and together we look forward to preaching and witnessing the gospel of Jesus Christ to our nation's leaders in Washington DC and our state capitols across the nation.

Time is short and we as Christians must be available everyday for service to our Lord. We cannot depend on men in politics, but we must place our trust in the Lord. "*It is better to trust in the LORD than to put confidence in princes*" (Psalm 118:9). Psalm 146:3 says, "Put not your trust in princes, *nor* in the son of man, in whom *there is* no help." By the same token, we must keep our elected officials responsible by being involved in the political process to honor God, family, and country. Thank you once again for your prayers and support.

Yours in Christ,

Bro. Franklin Raddish
