The *God, Family, & Country Meeting in Support of Israel*, which was held on August 25 at the Round House of the New Mexico State Capitol, was a God-honoring event. There were Independent Baptist pastors and people from their churches who attended from different areas of New Mexico. We had old-time preaching, gospel singing, and giving thanks to the Lord for His goodness to us. The preaching was centered on support for Israel and the gospel of Jesus Christ. Also we did have some Jews that attended the meeting, and our prayer is that they will receive the preaching of the gospel and be saved. During the preaching, we also were able to give a gospel witness to some legislators, state employees, and tourists. One man I witnessed to stated he was a Methodist, and sadly, insisted that was all he needed; he failed to see his need was Christ and not the Methodist church. At the beginning of our conversation, I offered him a gospel tract, which he refused to accept, but thanks be unto God, at the end of our conversation he accepted it. This meeting in support of Israel was a very spiritual and productive time that glorified the Lord Jesus Christ

Missionary-Evangelist James Creager has answered the call to this ministry for three and a half years. He has labored with me at some of the state capitols in preaching and witnessing the gospel of Jesus Christ. Bro James attended Bob Jones University, and graduated from Tabernacle Baptist College in Greenville, South Carolina with a degree in Practical Christian Training. Evangelist Charles Creager, Jr. answered the call to this ministry seven and a half months ago. Bro. Charles attended Bob Jones University and graduated with a degree in Physics. Bro. Charles will head up the new Creation Science division of Capitol Hill Independent Baptist Ministries. He will be preaching and witnessing with myself and Bro. James on Capitol Hill, Washington DC, and the state capitols across the nation. Bro. Charles will be instrumental in defending the faith against the atheists, agnostics, and New Agers who have infiltrated our national and state governments. He has had two research papers published in two well-known Creation Science peer review journals. Bro. Charles is well qualified to take on the enemies of the Cross of Jesus Christ concerning Biblical Creation. We are very thankful for the ministry team that the Lord has allowed us to have.

In the last sixteen years through the National and State Capitol Bible Studies and the *God, Family, & Country* meetings we have had, we have been able to reach thousands with the gospel of Jesus Christ. Preaching, praying, and witnessing in our national and state capitols can bring about revival in our country. Thank you for your prayers and financial support.

Yours in Christ,

Bro. Franklin Raddish
